STEEL BAR REINFORCEMENT

MAINTENANCE & CARE

- Clean with mild soapy water using a microfibre cloth after every use.
- Do not use harsh and abrasive detergents, liquids, or pastes.
- Do not use excessive pressure while cleaning.
- Add essential oils only after the water has run in the bath. Spot test using a drop of essential oil on a concealed area of the bathtub to ensure they won't stain the bath.

INSTALLATION MANUAL

Additional Information:

- In order to fully benefit from warranty claims, please ensure products are installed by a licensed plumber.
- All measurements are in millimeters.
- Dimensions are nominal and subject to normal manufacturing variations. Please

- allow +/- 15 mm tolerance.
- For mark-ups & roughing-in, always use actual product measurement.
- Specifications may vary without notice as part of our continuous improvement practices.
