

BACK TO WALL SPA BATH SPECIFICATION & ORDER FORM

BESTBM Spa Baths are made to order upon receipt of this specification & order form and are non-refundable. Please be advised that it may take approximately 14-20 business days for the completion and delivery of each item. To avoid any delays in your order, we advise filling out this form with your licensed plumber.

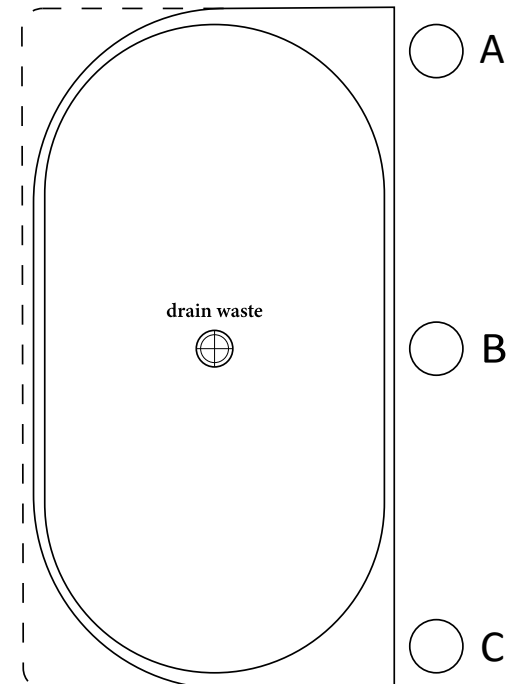

Please refer to the diagram below before choosing your spa pump position, as spa pump position **cannot** be changed and changing the position of pump will cost extra.

Note:

- **The spa pump does NOT fit directly in the bathtub's perimeter.**
- The spa pump must be easily accessible for maintenance & positioned either:
 - within a wall cavity with an access panel from the adjoining room/wall/cupboard or,
 - fixed to an external wall housed in an adjoining room/wall/cupboard
- Whilst every effort is made to adhere to published jet & pump positions, it's important to note that specifications may be subject to variation without prior notice.
- In order to fully benefit from warranty claims, please ensure products are installed by a licensed plumber.
- All measurements are in millimeters.
- Dimensions are nominal and subject to normal manufacturing variations. Please allow +/- 15 mm tolerance.
- For mark-ups & roughing-in, always use actual product measurement.
- We recommend that no pre-framing work be carried out until the product is onsite.
- Specifications may vary without notice as part of our continuous improvement practices.
